Upgrade Policy

The upgrade price shown is for upgrades from an older version to a newer version of AccuTerm, of the same license type and user count. To upgrade one or more Single User Licenses to a Small Business License, the price is computed as the greater of either the Small Business License upgrade price or the difference between the current Small Business License price and the number of Single User Licenses being upgrade times the current Single User price.

These prices are effective as of April 5, 2011; these prices supersede any previously published prices; these prices are subject to change at any time, without notice.
